Presidents Corner

My Fellow Jaycees,

Hats off to Danny Iven and Kevin Hite for a “darn tootin’” good rodeo. I believe fun was had by all who attended. It was really great to see so many chapter members attending the rodeo and helping out. Thanks to all who were there.

The hurricane Katrina drive we had in September was successful; we filled a 52’ trailer and had extras left that were taken to Vienna to be put on another truck and shipped to Louisiana. Thanks to Kenny who started up the drive with the idea. A BIG THANKS TO ALL WHO HELPED!!!! I know your thoughts and prayers go out to everyone that was affected.

We have a pool tournament coming up on October 15 at Spectators. Anyone wishing to help chairman Leonard, please contact him at the next general membership meeting. He will welcome any help or ideas you may have for him. Also, we are having an M-night that evening from 7 until we’re all funned out. I’d like to see everyone who attends in a costume. Who knows, you may win the best dressed, scariest or most unusual costume!! Nicole is chairing the M-night and she would welcome any help.

I have an incentive for the chapter; anyone who can get me at least 5 paid new members signed up on October 15 at the pool tournament or the M-night or both will receive a chapter t-shirt. Whoever signs the most new members over 5, will receive a Jaycee jacket.

I will be appointing a fair chairman for next year at the board meeting in October if anyone is interested see me before then. Elections are also coming up the first general membership meeting in November. If you are interested in running for an office, make sure you contact a Past President and let them know. If you want to make a change, this is the perfect opportunity for you to step up and take a seat on the board and make that change.

If any one needs to contact me for any reason, don’t hesitate to call: 636-2218 or 230-4361.

Community Corner

Hi Everybody!

Just a quick note to let everyone in on what’s going on in the next few weeks. In case you haven’t heard, there’s a Pool Tournament at Spectator’s on Oct. 15. If you can help new member and chair Leonard out, just let him know. And if you see chairman Jeff Suthoff, ask how you can help him get ready for the Christmas Parade! Yup, it’s true, it’s time for the Christmas Parade again! That’s all for now, folks! See you at Spec’s and then later at the fairgrounds for a spooky good time at the M Night!

Kevin and Emily

A Note from the Pool Tournament:

If you have any connections for donations for door prizes or silent auction items that could be used for the pool tournament, please contact Leonard Steinman at 462-6282 or Lisa “Olga” McDonald at 338-2878.

MEMBERSHIP DEVELOPMENT

Hey everyone! Nine months down and three months to go. So far, we have had a great time doing it. What we need to do these final three months is to grow. I would like to thank everyone who came out and helped during our hurricane relief drive over the Labor Day weekend. We did an awesome job and we had a great time doing it, not to mention the Frisbee after we shut down, just ask Schwartze. Also, mark your calendars for October 15; we are having a Halloween-themed M-night. You know: costumes, pumpkins, games etc. So, everyone bring your friends & family, not to mention anyone you know between 18 and 40! Well, that’s all for now.

Overheard on Sunday morning of Fall State meeting: "I'd have had more fun if he hadn't been gay!" anon... but you know who you are...

Speaking of State Meeting... In case anyone is interested, Kenny keeps his notes as far in his ass as possible... If the mental picture is bad, should have been there for the real thing...

WANTED: Any information regarding the hooligan(s) who decorated the Presidents car during the rodeo. **REWARD OFFERED**

Happy October, Jaycees!

We're on the back side of the year now, not much longer to get in those trainings and development seminars. We're still working on springboard and degrees, not to mention that if you have any other ideas for seminars or trainings that would be of interest to us as a chapter, we would be happy to work on that, as well. There is an idea on the table to have a bartending seminar closer to the holidays, maybe a B.Y.O.B. to teach others how to make your favorite drink and a professional bartender to learn how to make something new...

As always, if you have any questions or just want to talk, let me know!

Fellow Jaycees,

Where, oh, where has this year gone? On September 16th & 17th, our Rodeo came and went and all turned out pretty well. At least Mother Nature graced us with cooler weather for the event. I would like to thank Danny and Kevin for heading up our 6th Annual Rodeo and I would also like to thank his board for a job well done. I especially appreciate the fact that you cleaned the bathrooms afterwards!

What will October hold in store for the Jefferson City Jaycees? October 11th the Home Association will be winterizing the fairgrounds. Anyone interested in helping, please come on out that evening before the general membership meeting. ONTO boat storage will begin on October 16th. Interested in joining ONTO? Contact Nicole Buckley, Joyce Huber or Sandy Backes.

Now is the time to be thinking of Elections! They will be held at the first general membership meeting in November during new business. If you would like to run for a board position, please talk to any current board member or any Past President. They would be glad to give you details.

As always, if you have any questions, comments or just want to let off some steam, give me a call at 573-635-9052 or 573-645-5572
