1st Annual "Pullin' for Camp" Truck and Tractor Pull

I know, I know... the Jefferson City Jaycees usually do a Bowl-a-Thon for Wonderland Camp. Due to scheduling conflicts, we were unable to get the bowling alley so we decided to spice things up a little bit. The Jefferson City Jaycees will be holding our 1st Annual "Pullin' for Camp" Truck and Tractor Pull on May 5th, 2007 at the JEFFERSON CITY JAYCEES FAIRGROUNDS and of course all proceeds will be going to Wonderland Camp. Gates open at 11:00 a.m, pull to start at 7:00 p.m. We hope to have a great turn out to raise lots of money for camp. There will be T-shirts for sale while they last. Food and beverages will be available for purchase as well. So come out and join us for a fun filled afternoon/evening. Hope to see you there.

Softballs that is, geez what did you holding our 2nd Annual Access Day

think I meant. The Jefferson City Jaycees will be Softball Tournament. We are challenging all the Jaycee

We will have door prizes, 50/50 raffle and raffle for a charcoal grill (tickets \$1.00 each or 6 for \$5.00). There will be an M-Night at the Jefferson City Jaycees Fairgrounds following the softball tournament. Pre-registration preferred but not required (but hurry, spots won't last). President's Corner

Hello my fellow Jaycees!

WOW!! I cannot believe it's already May and I have not seen many of your faces. So much is on the horizon I am not sure where to start. First is May 5th "Pullin for Camp". I hope to see all you out there supporting a great cause. Adam is Chairing the Pool Tournament on June 16th and Katie is chairing the Access Day Softball Tournament June 23rd, so contact them if you have any questions or would like to assist. Nicole is gearing up to have a Self-Defense program so watch for news. Of course there is the FAIR which is coming together. You can contact Jason, Chris, or Mary for more information.

Also be on the lookout for:

- ☉ 2nd GM meeting (4th Tuesday) of each month we will hold a very brief meeting followed by games, treats, socials, or something fun.
- ☉ Be sure to also watch for new member orientation and training as we plan to hold one every other month.
- ☉ Business Plan (formally known as a CPG) training
- ☉ Achieve Training

I am starting an email chain so I can send periodic reminders of events and exciting news out ASAP, I only have two thus far, so if you would like to be included send me an email (chief_fans@juno.com). I could go on and on about all the exciting things we have brewing at the Board level but I think I have given you something to get excited about.

Thank You for Your Service!

I'd like to send my best wishes out to Joe Rowland who will be leaving us for Iraq in the coming months. Joe, you are a wonderful man and a great friend; please stay safe and write often. If you write, maybe we will send gifts ☺ Honestly, may God bless you and keep you safe. You will be in our prayers. And don't worry about Terry, we'll keep her busy ☺ We will miss you!

Julie (and Jason)

Also, please join me in wishing David Dane and Kenny Hite your best as they too will be leaving for duty in May. Keep your fingers crossed that they will remain in the Country. Keep them and their families in your prayers.

Thank you to all who are serving our country to keep our freedoms!!

MEMBERSHIP... MEMBERSHIP...

MEMBERSHIP...

Thank you to everybody in your hard work on getting new members. Keep up the good work my "New Member Goal" for May is 10. My goal for April was 8; we almost made it. We will have to get a build up for our big month of July because we tend to lose a few members since they are "Fair Members". I haven't decided on the incentive yet.....BUT!!!! It will be bigger and better than any of my previous incentives. This incentive will go through the end of JUNE!!! So directors, board members and other members not mentioned, let's see who can get the most members before the end of June.

Hey folks, I will be running the food section of "Pullin for Camp". I am always looking for more help. We have some of the kids (especially mine) volunteering to help with the soda and the gates. I would like to get more members out to help with the tickets and food. If you can help, please contact myself or my wife, April.

This is a great cause and should be fun. Come out and join us.

Thanks everyone.

Easterseals Walk With Me May - 12, 2007

Jefferson City Jaycees have participated in Easterseals Walk With Me for the last 4 years and the Easterseals are asking for your help again. Scott Hamblin will be volunteering his time Saturday morning to operate the registration table. Registration will begin at 7 am and any volunteer help is appreciated. The registration table closes at 8:30 am, so you will have the rest of you Saturday free. Please contact Scott at 635-7166 or 635-5478 for more information. Otherwise, please show up on Saturday, May 12 2007 at 7 am downtown, in front of the county courthouse on high street.

Rental Season is underway... despite a "chilly" start where some of the pipes didn't make through unbroken, it looks like everything is going to be okay in the long run.

I am still looking for a P.O.C. chairman; for those of you that don't know, P.O.C. is the Parade of Chapters. This is the point scale that is used by the Missouri and the U.S. Jaycees to judge the success and accomplishments of our chapter. Plain and simple, we submit what we have do through out the year, and, if we do it well, we get rewarded for our success. Most of the awards that are hanging on the walls of the exhibit hall and meeting room, both state and national, were awarded based on P.O.C. points. So, if anyone is interested in finding out more about this position, please let me know.

Until next month....

Official Bullsheet

Hello Jeff City Jaycees,

This is your favorite secretary/gates chairwoman....We have so much going on and would love to have everyone come out and help. I will be opening the gates on May 5th at 11am for "Pullin for Camp" I can use help selling tickets and taking tickets from 11am till the gates close, which could be 10 or 11pm. I know that Bob can use help in the food stand and Chad can use some in the beer stand. You can contact me to set up a time and area or check in with me when you get there. Remember if you sign up early for a shift, Lesley has a pass for you and a guest to get in. Come out and support the benefit for camp. I am already getting things lined up for the Fair, anyone who wants help with gates can let me know. I will be needing help all week and I was pretty good last year about giving you 3 hour shifts. Remember our Fair Chairman has set up cash prizes and you have to work the hours to get the entries, so the gates are an easy place to earn your hours.... I know that Lesley is still looking for a chairman for the 4th of July beer garden. Bob and I ran that last year. It isn't that tough and we are willing to help give advice for anyone that wants to step up and take the challenge. I would like to take this chance to give those who don't know us a little background info. Bob and I joined the Jaycees during the fair of 2005. Since then we have both chaired and co-chaired events and been there to work for just about every activity going on. We truly enjoy the people and events that we are involved with. I would love to see more of our members become **active**. I can honestly say that I feel I have learned a lot and am a better person for my involvement with this AWESOME organization. I would like to invite those who have been members awhile but maybe stayed in the shadows to come back out and meet the new people and get involved. I am also **challenging** anyone who has been a member for at least 6 months or longer and has not yet done so, to step up and chair an event this year. If my husband and I can do it, so can you. Remember the rest of us are all here to help. I am always reachable at 573-353-7943. Thanks to all... Hope to see you at the next event.

Individually Speaking...

I have rooked, I mean asked (fairly) new member and licensed esthetician Jill Nichols in to coming out to the first general membership meeting to give anyone interested a little post-meeting demonstration in back massage. She just doesn't know it yet... tee hee... I've also been in contact with a speaker to present for our social meeting on May 22. I'll keep y'all posted. On a fair note, all the headliners are booked and will be announced as soon as I get the openers and beer garden bands in the can.

- NBB

How many days until the fair opens you ask? Heck, I don't know, but I do know that the next fair board meeting will be at 6:00 pm May 9, 2007 at the fairgrounds. The first work party weekend will be June 9 and 10 from 10am to 4pm. Remember that this is your first chance to start racking up hours for the incentive, just be sure to find Mary when you get there

We still have some spots available for just the right person to fill them... do you like kids? Can you handle organization and stress... How would you like to the chair for either the Little Mr. and Miss or Baby Contests? Contact Mary Dulle or Judy Hake if you or anyone you know could handle these wonderful traditions.

Jason Morff, Chairman

2007 Jefferson City Jaycees Fair

We are in for one Heck of a Week for the Fair!!! Monday, July 30, after Little Mr. and Miss, on the main stage, we are going to have, that's right, **The LoCash Cowboys**... girls, gird your loins, it's gonna be a hot one! Tuesday night, new country star **Jake Owen**, of "Yee Haw" fame; his new single "Startin' With Me" is rapidly climbing the charts. **Ty Herndon** is our main stage act on Wednesday... Yeah, he's fabulous, too. Personally, I can't wait to see the Kennett boys on Thursday, not to mention some of the St. Charles Jaycees (not St. Peters, I heard you gasp, Jason) for... wait for it... **Trent Tomlinson**!!! Yeah!!! That's what I said!!! Mr. "Drunker Than Me" and "One Wing in the Fire"!!! And hottie Kennett boy, himself... Friday night, we're celebrating our roots and jammin' to some good ol' beer drinking music... "Can't You See" there's "Fire on the Mountain", baby... **The Marshall Tucker Band**... get ready for a beer record! Saturday night, we're heading to the '90's with **Seven Mary Three**... I'm so excited about this. It's a great lineup, a great schedule, and we're going to have a great week. Next month, we'll have the fair flyer in all it's color glory for your very voracious eyes... 'Til then...
